

Dear Hiring Manager,

I am a self-motivated and progress-driven Graphic Designer and Full Stack Developer with an extensive background in this industry. I have developed and executed strategies that I believe will bring value to your team.

I am an experienced designer with demonstrated skills in developing technical specifications, evaluating prototypes, and manufacturing products. I am a dependable asset to the team, always punctual, and determined to get the job done. I never waiver in my contribution to my team as I am always ready to help out my team to achieve the end result.

I am a quick study with a dedication to keep learning and improving on what I know. Being highly organized and detail-oriented makes it easier to manage my own time for the success of the team.

I would greatly appreciate your review of my enclosed résumé and outlined credentials. I believe I can be a valuable addition to your company and your business goals. At your convenience, I am available for an interview and further discussion. I look forward to your response.

Sincerely,

Danielle Ussery
